

Subject: NJB – Reminder for Division Evaluations

Dear Foothill-SLAM NJB Families,

The purpose of this email is to remind you that Division Evaluations for D1, D2, and D3 are being held on October 15-16 (the detailed schedule is on www.njb-slam.org under Division News). Please be sure to review the updated online schedule as the Girls D3 evaluations on Saturday were pushed back 30 minutes to accommodate the Los Altos school district walkathons that are taking place on Saturday morning.

1. Division Evaluations are Mandatory

All Division players, including those who tried out and were not selected for All-Net, MUST attend a Divisional evaluation session to be drafted. The evaluation is used to rate players for the draft in order to create well-balanced teams.

If your child is injured, he or she still must attend the evaluation to be introduced to the coaches. If your child is unable to attend one of the mandatory division evaluations, please let us know as soon as possible, but no later than Thursday, Oct. 13th, by sending an email to admin@njb-slam.org.

2. For Boys Divisions: Try to Attend the Session Based Upon Your Last Name

Boys Divisions will have three sessions designated by a players last name. These sessions have been divided based on this year's registration to result in an equal number of players per session. Whenever possible, please try to attend the evaluation session based on the players' last name. However, if your child is unable to attend their assigned session, please have them attend another session for their division.

3. Arrive At Evaluations At Least 15 Minutes Early

All players need to go through a check-in process. This process takes some time so please arrive at least 15 minutes before the published start time in order to allow the session to start on time.

We are looking forward to another great season!
