

Hello,

This email is being sent to families who had a child playing in NJB Foothill last season (2008-2009) to remind them that Registration Priority for the 2009-2010 season ends this coming Saturday September 12. If you have already registered your child, you can ignore this reminder. Unfortunately, there is no way to filter the email list and only send this message to families who have not yet registered for the upcoming season. We apologize for this system limitation.

Registration Priority is explained below.

Registration Priority:

Based on our estimated gym availability and our expected return rate for players, we are anticipating a very full chapter. To increase your child's chance of playing this season, we strongly recommend that you complete online registration and mail in the required materials as early as possible. Priority will be determined by player status (e.g. child of a Board member, returning player, sibling of returning player, new player) and timestamp of online registration. A returning player will lose his/her registration priority over non-returning players (and other returning players) if he/she registers after Saturday, September 12, 2009.

For all players, their relative priority to other players with the same status (e.g. child of a Board member, returning player, sibling of returning player, new player) will be the date and time of their online registration as long as they submit their paperwork on time and have paid their registration fees. Registration priority will be lost for any player if all required materials and payment are not received by Saturday September 19 (based on postmarked date).

If you have any other questions regarding registration or our league in general, please first check the extensive FAQs on our website. If these do not answer your question(s), then please email your question(s) to [admin@njb-slam.org](mailto:admin@njb-slam.org).

We are looking forward to a great season, and to having you all back again!

Foothill-SLAM NJB
