

Dear NJB Parents,

As our Foothill Chapter progresses through our 6th season, there is much of which to be proud. Our Chapter is one of the largest and most successful in NJB, fielding strong participation, setting a positive example for other chapters, and enjoying considerable success on the basketball court. I have enjoyed seeing Foothill evolve over the past several years, and have come to appreciate just how much of our Chapter's success is attributable to the dedication of our Board members. We have a wonderful group who never cease to amaze me with their creativity, can-do spirit, and selfless commitment to our community's youth. I have found my Board experience to be very inspiring.

As I reflect on the current make-up of our Board, I've come to realize that many of us have children who are nearing the end of their NJB careers. In order to ensure the continued vitality and success of Foothill NJB, it is important that we welcome a new generation of parents onto our Board. We've established a proud tradition and a solid foundation, and yet we need a steady infusion of fresh ideas and enthusiasm to continue our momentum. Rest assured, many of us will continue our involvement for quite some time. Just the same, now is the time to begin a steady transition to a new group of leaders. With that in mind, I'd welcome expressions of interest in joining our Board - please email me at spinkner@msn.com. For those who express interest, we will be hosting a social gathering in early February, at which time you can meet current Board members and gain a better sense of what Board opportunities exist. Thank you for your consideration.

Best,

Scott Pinkner
Foothill NJB President
