===== Important Changes to 2008-2009 Registration =====

Welcome to the 2008-2009 basketball season! We are sending this message to provide details regarding this year's registration. PLEASE READ THE FOLLOWING INFORMATION CAREFULLY, AS THERE HAVE BEEN SEVERAL CHANGES TO THE REGISTRATION PROCESS.

On-line registration is scheduled to commence at 9am on Saturday, July 26, 2008. Please check our website (<http://njb-slam.org>) in the coming weeks to stay abreast of updated news regarding registration and the new season.

Only residents who live in Sunnyvale, Mountain View, Los Altos, and those parts of Los Altos Hills within the Los Altos School District boundaries, are eligible to play in Foothill--SLAM.

ALL registration must be done online. During online registration, parents will need to input (for new registrants) and/or update (for returning registrants) all required information, including medical contacts, address, age and grade information. It is important that all information provided be truthful and accurate, and each registrant will be asked to confirm this when they register.

This year's registration will be paperless. Unless a registrant chooses to pay by check (rather than online with VISA or MasterCard), no documents will need to be mailed into NJB. That said, should your child wish to participate in All-Net, or should your child be selected to an All-Star team at the end of the season, full paper documentation will be required (including proof of grade, address and GPA).

Priority will be determined by returning player status, timestamp of online registration and receipt of payment. Payment must be received by Saturday, September 13th in order to maintain your returning player status and priority of your online registration. Based on our estimated gym availability and our

expected return rate for players, we are anticipating a very full chapter. It is possible that, due to fluctuations in players per grade, we may not be able to accommodate all returning players. To increase your child's chance of playing this season, we strongly recommend that you complete registration early.

Foothill-SLAM NJB reversible shorts are required, but are no longer included as part of the registration fee. Players have the option of re-using existing Foothill-SLAM NJB shorts (must be reversible). However, if a player does not already possess such shorts, that player will need to purchase new shorts as part of the registration process.

Prior to attending Player Evaluations, parents will need to print and sign two copies of the Registration/Medical Release Form. They will then need to bring those two signed copies to the Player Evaluations to submit.

Should you know of potentially interested families whose child(ren) have not yet participated in NJB, please feel free to forward this message.

If you have any other questions regarding registration or our league in general, please first check the extensive FAQs on our website. If these do not answer your question(s), then please email your question(s) to admin@njb-slam.org.

We are looking forward to a great season, and to having you all back again!
