

Hello Foothill-SLAM NJB New and Returning Families,

Registration is now open for the Winter 2011-2012 basketball season for boys' high school players.

Please use the following link to complete your players' registration for this season. When registering online it is recommended that you have your child's medical, dental, and emergency contact information handy. You will need to submit this information during online registration.

<https://njbfoothill.d4sportsreg.com>

- Returning families should log in using the same email address that you registered your child with initially

(Note: Parents that haven't registered before will need to click on "New Member")

- After logging in, click on "Register Now" for "Winter 2011-2012 High School"

- Click on Player to register if you have multiple children in the system or click on "+ Add New Player" to register a child for the first time

You are welcome to check our website (<http://njb-slam.org>) in the coming weeks in order to stay up to date on the status. We have also posted the 2011-2012 calendar, which includes the evaluation dates.

On-line registration for the High School program will close on Wednesday November 23rd, 2011. Please check our website (<http://www.njb-slam.org>) in the coming weeks to stay abreast of updated news regarding registration and the new season.

The NJB High School Program is for those players in high school who DO NOT play for their high school team. Unlike the Division and All-Net programs (grades 3 through 8), the High School Program does not have any boundaries and registration remains open until Thanksgiving although parents are encouraged to register earlier to give us an indication of how many teams will be formed.

Required Documentation:

- Two copies of the Registration/Medical Release Form signed by a parent/guardian

- Copy of ALL of the pages of the most recent progress report card signed by a parent/guardian

- Code of conduct (to be signed by the player at High School evaluations)

Similar to high school sponsored extra-curricular activities, we require all NJB high school players to provide documentation that they are currently maintaining a minimum 2.0 or higher GPA to be eligible to play in our program.

Players need to mail in the required documentation and pay their registration fees by Wednesday, November 23rd (postmarked date) though you are encouraged to send in this paperwork as early as possible.

The mailing address is

Foothill-SLAM NJB
P.O. Box 3008
Los Altos, CA 94024

Registration Priority:

Based on our estimated gym availability and our expected return rate for players, we are anticipating a very full chapter. To increase your child's chance of playing this season, we strongly recommend that you complete online registration and mail in the required materials as early as possible. Priority will be determined by player status (e.g. child of a Board member, returning player, sibling of returning player, new player) and timestamp of online registration.

For all players, their relative priority to other players with the same status (e.g. child of a Board member, returning player, sibling of returning player, new player) will be the date and time of their online registration as long as they submit their paperwork on time and have paid their registration fees.

Uniforms:

Foothill-SLAM NJB reversible shorts are required, but are not included in the registration fee. Players have the option of re-using existing Foothill-SLAM NJB shorts (must be reversible). However, if a player does not already possess such shorts, that player will need to purchase new shorts as part of the registration process.

If you have any questions regarding registration or our league in general, please first check the extensive FAQs on our website. If these do not answer your question(s), then please email your question(s) to admin@njb-slam.org.

We are looking forward to a great season, and to having you all back again!
